## TECHNICAL SPECIFICATION

# K 0,45 LD

### BASIC DATA

Composition of container

| Mold numbers: | container | lid | handle |
|---------------|-----------|-----|--------|
|               | 144       | 088 | -      |
|               |           | 112 |        |

### BUCKET

|                                                    |                |
|----------------------------------------------------|----------------|
| Nominal capacity                                   | 450 ml         |
| Total capacity up to the lid                       | 470 ml         |
| Weight of the bucket <sup>1</sup>                  | 18,9 g         |
| a - external dimensions of the crown <sup>2</sup>  | 155 mm x 92 mm |
| b - internal dimensions of the crown <sup>2</sup>  | 146 mm x 83 mm |
| c - external dimensions of the bottom <sup>2</sup> | 125 mm x 63 mm |
| h - height of the container <sup>2</sup>           | 73 mm          |
| Weight of the handle                               | -              |
| Handle type                                        | -              |

1 tolerance level +/- 3 %

2 tolerance level +/- 1 mm

### LID

|                    |                |
|--------------------|----------------|
| Weight             | 9,1 g          |
| Internal dimension | 155 mm x 92 mm |
| Height             | 8 mm           |

### PACKING

| Way of packaging: | Boxes       |                      |                       |                      |
|-------------------|-------------|----------------------|-----------------------|----------------------|
|                   | Euro pallet | large<br>800x400x620 | medium<br>900x400x310 | small<br>400x400x310 |
| Buckets           | 4800        | 800                  |                       |                      |
| Lids              | 4800        |                      |                       | 800                  |

### OVERPRINT

|                   |       |
|-------------------|-------|
| Bucket Offset/IML | - / - |
| Lid Offset/IML    | - / - |

### ADDITIONAL

|            |                                                                                                        |
|------------|--------------------------------------------------------------------------------------------------------|
| Material   | PP/PE                                                                                                  |
| Colors     | Standard transparent<br>color per request                                                              |
| Protection | Tamper evident, rim                                                                                    |
| Purpose    | General purpose container for packaging, storage<br>and transport of liquids, loose or fluid materials |
