

## TECHNICAL SPECIFICATION

# W 10 KWN

### BASIC DATA

| Composition of container | container | lid | handle |
|--------------------------|-----------|-----|--------|
| Mold numbers:            | 235       | 269 | 240    |
|                          |           | 239 |        |
|                          |           |     |        |
|                          |           |     |        |
|                          |           |     |        |
|                          |           |     |        |

### BUCKET

|                                                    |                 |
|----------------------------------------------------|-----------------|
| Nominal capacity                                   | 10000 ml        |
| Total capacity up to the lid                       | 11560 ml        |
| Weight of the bucket <sup>1</sup>                  | 345 g           |
| a - external dimensions of the crown <sup>2</sup>  | 290 x 250 mm    |
| b - internal dimensions of the crown <sup>2</sup>  | 238 x 273 mm    |
| c - external dimensions of the bottom <sup>2</sup> | 215 x 253 mm    |
| h - height of the container <sup>2</sup>           | 211 mm          |
| Weight of the handle                               | 27 / 52,4 g     |
| Handle type                                        | plastic / metal |

<sup>1</sup> tolerance level +/- 3 %

<sup>2</sup> tolerance level +/- 1 mm

### LID

|                    |              |             |
|--------------------|--------------|-------------|
| Weight             | 239 - 110 g  | 269 - 150 g |
| Internal dimension | 290 x 250 mm |             |
| Height             | 19 mm        |             |
| *Sealing lid       | - g          |             |

### PACKING

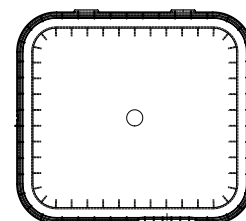

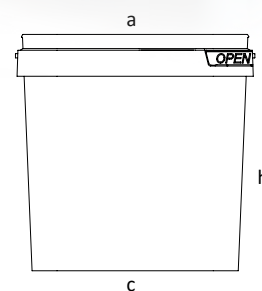

|                   | Euro pallet | large<br>800x400x620 | Boxes<br>medium<br>900x400x310 | small<br>400x400x310 |
|-------------------|-------------|----------------------|--------------------------------|----------------------|
| Way of packaging: |             |                      |                                |                      |
| Buckets           | 500         |                      |                                |                      |
| Lids              | 2500        |                      |                                |                      |
| Grids             |             |                      |                                |                      |

### OVERPRINT

|                   |       |
|-------------------|-------|
| Bucket Offset/IML | - / + |
| Lid Offset/IML    | + / + |

### ADDITIONAL

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Material                 | PP/PE                                                                                                  |
| Colors                   | Standard white<br>color per request                                                                    |
| Protection               | T,amper evident, rim<br>protecting against opening                                                     |
| Max. compression at 20°C | 50 kg                                                                                                  |
| Grids                    | - g                                                                                                    |
| Purpose                  | General purpose container for packaging, storage<br>and transport of liquids, loose or fluid materials |

### ARRANGEMENT ON THE PALLET
